Classes are scheduled for 11 Saturdays from 8am to 5pm with an hour lunch; there will be a lot of information being provided in these classes due to the accelerated time frame so every class is important! Please be sure to make class a priority and attend each one! Missing to many classes will result in missing a lot of information and hands on training, this will also affect your overall grade (there will be a review test at the beginning of each class). Again, we are so glad that you have chosen us to help change your destiny and we cannot wait to start this journey with you! If you have any questions or concerns please contact us at 307-632-6463 or DestinyDentalAP@gmail.com.
